

Multi-pole modeling and simulation of a four-way valve controlled fluid power system in NUT environment

Grossschmidt, Gunnar; Harf, Mait Modelling and Simulation 2002 : 16th European Simulation Multiconference 2002 : ESM'2002, June 3-5, 2002, Darmstadt, Germany 2002 / p. 677-681 : ill <https://dl.acm.org/doi/abs/10.5555/647918.740360>

Simulation of hydraulic chains using multi-pole models in the NUT programming environment

Grossschmidt, Gunnar; Vanaveski, Jüri; Harf, Mait Simulation and Modelling : Enablers for a Better Quality of Life : 14th European Simulation Multiconference 2000 : ESM'2000 : May 23-26, 2000, Ghent, Belgium 2000 / p. 709-713 : ill <https://dl.acm.org/doi/10.5555/647917.740018>
