

Characterisation of urea-formaldehyde resins by their rheological behaviour during storage at various temperatures
Suurpere, Aime; Siimer, Kadri; Christjanson, Peep Proceedings of Baltic Polymer Symposium 2002, Nida, September 18-20, 2002 / p. 198-203 : ill

Curing behaviour of urea-formaldehyde resins on a wood substrate

Siimer, Kadri; Kaljuvee, Tiit; Christjanson, Peep; Lasn, Ilmar Proceedings of Baltic Polymer Symposium 2002, Nida, September 18-20, 2002 / p. 79-84 : ill

Effect of alkylsulfonate on thermal behavior and structure of high-density polyethylene

Viikna, Anti; Nikitina, Nonna; Süld, Tiia-Maaja Proceedings of Baltic Polymer Symposium 2002, Nida, September 18-20, 2002 / p. 91-94 : ill

Electrically conductive polymers - from imperfect crystals to functional materials

Õpik, Andres Proceedings of Baltic Polymer Symposium 2002, Nida, September 18-20, 2002 / p. 9-14 : ill

Modification of low-density polyethylene using surface-active substance

Nikitina, Nonna; Süld, Tiia-Maaja; Viikna, Anti Proceedings of Baltic Polymer Symposium 2002, Nida, September 18-20, 2002 / p. 95-98 : ill

Multilayer structures based on polyparaphenylene-polypyrrole blend semiconductive films deposited on light transparent substrates

Golovtsov, Igor; Õpik, Andres Proceedings of Baltic Polymer Symposium 2002, Nida, September 18-20, 2002 / p. 156-161 : ill

Technical textiles based on low-melting PET and short flax fibers

Soiela, Mari; Viikna, Anti Proceedings of Baltic Polymer Symposium 2002, Nida, September 18-20, 2002 / p. 204-207 : ill
