

Control system simulation of a 40kW half-bridge isolated DC/DC converter [Electronic resource]

Roasto, Indrek; Vinnikov, Dmitri EPE 2007 : 12th European Conference on Power Electronics and Applications : 2-5 September 2007, Aalborg, Denmark 2007 / [10] p. [CD-ROM] <https://ieeexplore.ieee.org/document/4417224>

Increase pedestrian safety by critical crossroads : lighting measurements and analysis [Electronic resource]

Armas, Jelena; Laugis, Juhan EPE 2007 : 12th European Conference on Power Electronics and Applications : 2-5 September 2007, Aalborg, Denmark 2007 / [10] p. [CD-ROM]

The modern approach to practical trainings for specialists of automatics [Electronic resource]

Grinko, Aleksandr EPE 2007 : 12th European Conference on Power Electronics and Applications : 2-5 September 2007, Aalborg, Denmark 2007 / [10] p. [CD-ROM] <https://ieeexplore.ieee.org/document/4417354>

Universities collaboration in teaching power electronics [Electronic resource]

Vodovozov, Valery; Laugis, Juhan EPE 2007 : 12th European Conference on Power Electronics and Applications : 2-5 September 2007, Aalborg, Denmark 2007 / [8] p. [CD-ROM]
