

Group and semigroup theory research group. Dependable IT solutions, Valorisation of environmental resources. Leibak, Alar 1973

Inverse problems and stochastic methods research group. Dependable IT solutions, Valorisation of environmental resources. Janno, Jaan 1961

Laboratory for compositional systems and methods. Dependable IT solutions. Sobociński, Paweł Maria 1978

Mathematical analysis research group. Smart and energy efficient environments, Dependable IT solutions. Tamberg, Gert 1972

Nonlinear wave dynamics research group. Salupere, Andrus 1957

Rheology of composites research group. Smart and energy efficient environments, Valorisation of environmental resources. Herrmann, Heiko
