

Exact and stable least squares solution to the linear programming problem

Übi, Evald Central European journal of mathematics 2005 / 2, [14] p <https://eudml.org/doc/268717>

Mathematical programming via the least-squares method

Übi, Evald Central European journal of mathematics 2010 / 4, p. 795-806 <https://link.springer.com/article/10.2478/s11533-010-0049-9>

A numerically stable least squares solution to the quadratic programming problem

Übi, Evald Central European journal of mathematics 2008 / 1, p. 171-178

On stable least squares solution to the system of linear inequalities

Übi, Evald Central European journal of mathematics 2007 / 2, p. 373-385 <https://link.springer.com/article/10.2478/s11533-007-0003-7>
