

Dynamische Härte von Metallen als eine physikalische Konstante

Kleis, Ilmar OST-94 Symposium on Machine Design : proceedings, Tallinn, Estonia, April 14-15, 1994 1994 / p. 13-26: ill

Economic benefits of simulating product structure in designing

Märtson, Ivar OST-94 Symposium on Machine Design : proceedings, Tallinn, Estonia, April 14-15, 1994 1994 / p. 88-95

Effect of fluid adsorption on strength and wear characteristics of parts

Üksti, Lembit OST-94 Symposium on Machine Design : proceedings, Tallinn, Estonia, April 14-15, 1994 1994 / p. 27-33: ill

FEA wear simulation of a sliding contact

Põdra, Priit; Andersson, Sören OST-94 Symposium on Machine Design : proceedings, Tallinn, Estonia, April 14-15, 1994 1994 / p. 72-80: ill

Tribocharacteristics of journal bearings of rotating systems with unlocated axis
