

Adhesive wear resistance of hard metals and their durability in metal forming operations

Reshetnjak, Heinrich; **Kübarsepp, Jakob** Advances in hard materials production : proceedings of the 1996 European Conference on Advances in Hard Materials Production, Stockholm, Sweden, May 27-29, 1996 1996 / p. 327-332: ill

Characteristics of steel-bonded cermets and their application

Kübarsepp, Jakob; Annuka, Harri; Reshetnjak, Heinrich Advances in hard materials production : proceedings of the 1996 European Conference on Advances in Hard Materials Production, Stockholm, Sweden, May 27-29, 1996 1996 / p. 523-529: ill

Wear-resistance of non-tungsten cemented carbides

Pirso, Jüri; Kallas, Paul Advances in hard materials production : proceedings of the 1996 European Conference on Advances in Hard Materials Production, Stockholm, Sweden, May 27-29, 1996 1996 / p. 333-338: ill
