

Evaluation of noise reduction by means of the noise barriers on the basis of traffic flow simulation

Pospelov, Pavel Proceedings of the International EAA/EEAA Symposium : Transport Noise and Vibration, Tallinn, 8.06 - 10.06. 1998
1998 / p. 315-318: ill

Using noise barriers for noise reduction from traffic flow in residential areas

Pospelov, Pavel; Strokov, D.; Shcheete, B. Proceedings of the International EAA/EEAA Symposium : Transport Noise and Vibration, Tallinn, 8.06 - 10.06. 1998 1998 / p. 319-322: ill
