

Extracellular acidification : a novel detection system for ligand/receptor interactions. Demonstration with bioactive peptides and CHO or pancreatic beta cells, but of possible interest for tracing putative receptors in ethanol metabolism
Bonetto, V.; Eriste, Elo; **Metsis, Madis**; Sillard, Rannar Advances in experimental medicine & biology 1999 / p. 351-358

Large-scale HPLC purification of Calbindin D9k from porcine intestine

Bonetto, V.; Kangur, Liina; **Palumaa, Peep**; Mutt, V.; Jörnvall, Hans; Sillard, Rannar Protein expression and purification 1999 / 3, p. 387-391
