

Impact of phonon drag effect on seebeck coefficient in p-6H-SiC : experiment and simulation

Bikbajevs, V.; **Velvre, Enn; Udal, Andres** Material science forum 2003 / p. 407-410

Modeling of lattice heat conductivity and thermopower in SiC considering the four-phonon scattering processes

Velvre, Enn; Udal, Andres Material science forum 2003 / p. 391-394
