

Fed-batch cultivation of microbial cells in heavy water

Vanatalu, Kalju 8th European Congress on Biotechnology, August 17-21, 1997, Budapest : book of abstracts 1997 / p. 293, WE4441

Growth optimization of SF-9 cells for baculovirus expression

Drews, Monika; Paalme, Toomas 8th European Congress on Biotechnology, August 17-21, 1997, Budapest : book of abstracts 1997 / p. 171, TU2123

Mixed culture fermentations of lactic acid bacteria and yeast

Kasemets, Kaja; Paalme, Toomas 8th European Congress on Biotechnology, August 17-21, 1997, Budapest : book of abstracts 1997 / p. 205, TU2413

Modern cultivation methods in the research of culture physiology

Paalme, Toomas 8th European Congress on Biotechnology, August 17-21, 1997, Budapest : book of abstracts 1997 / p. 170

Role of ATP in proteolysis of recombinant protein A during downstream processing

Rožkov, Aleksei; Yang, S.; Enfors, S.-O. 8th European Congress on Biotechnology, August 17-21, 1997, Budapest : book of abstracts 1997 / p. 166, TU2109
