

Atmospheric ozone and climate change. Synthetic ozone and its applications. 21th Century and role of ozone [Electronic resource]

Munter, Rein Encyclopedia of life support systems (EOLSS). Chapter 6.192 2008

History of ozone synthesis and use for water treatment [Electronic resource]

Preis, Sergei Encyclopedia of life support systems (EOLSS). Chapter 6.192 2008

Ozone in drinking water treatment, in ozone science and technology [Electronic resource]

Kritševskaja, Marina Encyclopedia of life support systems (EOLSS). Chapter 6.192 2008

Ozone reactions with inorganic and organic compounds in water, in ozone science and Technology [Electronic resource]

Portjanskaja, Elina Encyclopedia of life support systems (EOLSS). Chapter 6.192 2008

Ozone-based advance oxidation processes [Electronic resource]

Trapido, Marina Encyclopedia of life support systems (EOLSS). Chapter 6.192 2008

Physical and chemical properties of ozone [Electronic resource]

Klauson, Deniss Encyclopedia of life support systems (EOLSS). Chapter 6.192 2008
