

**Mixing associated with density-driven exchange flow over estuarine barriers**

Davies, Peter A.; Cuthbertson, Alan; **Laanearu, Janek** Mixing of coastal, estuarine and riverin shallow flows 2008 / p. 31-32

**Parameterization of moderate net exchange-flow solutions for quadratic horizontal channels**

**Laanearu, Janek**; Davies, Peter A. Mixing of coastal, estuarine and riverin shallow flows 2008 / p. 69-70

**Stress-strain relations for steel fiber reinforced concrete based on the orientation tensor of the fibers**

**Herrmann, Heiko** European Mechanics of Materials Conference (EMMC15) : September 7th-9th, 2016, Brussels 2016 / [1] p
